Health & Wellbeing Events

Join the mindfulness revolution!

Mindfulness is about being aware of the feelings and actions of yourself and others, focusing on the present moment, and connecting with the world around you in a more positive, productive way. Choose from a whole range of mindfulness and wellbeing activities and events designed to increase awareness, combat stress, improve your work-life balance, and inspire you to think positively.

Mindful Mind

Evening Events

Evening events are always looked forward to. Employees don't have their targets and emails on their minds and are completely engaged with the activities going on around them. While evening events do enjoy a unique advantage, it puts a certain pressure on the organisers to make the event a success. Whether it's a full-blown corporate gala evening or a simple team building event held at night, we have you covered to fulfil all expectations.
